

The Bold Kitten origami bookmark

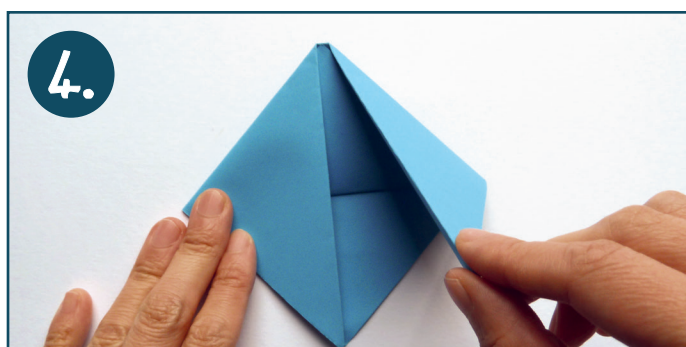

Put your 15 x 15 cm paper in front of you, so it looks like a diamond. Fold the paper in half diagonally, point down, so you now have a triangle.

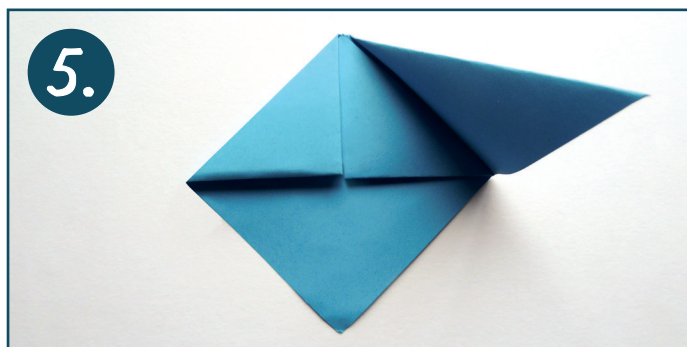

Take the top half of the paper and fold the point of the triangle back up to touch the top side.

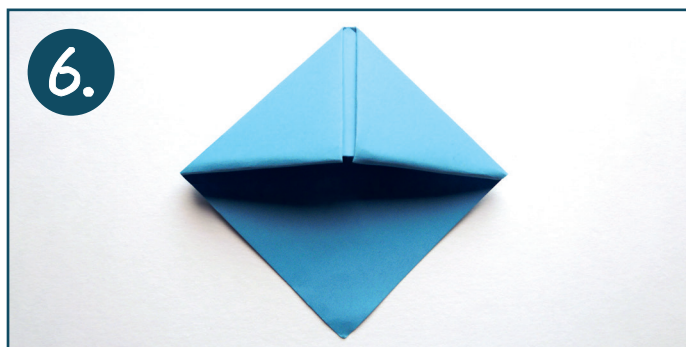

Take the left point of the triangle and fold it down to the bottom.

Fold the right point to the bottom as well.

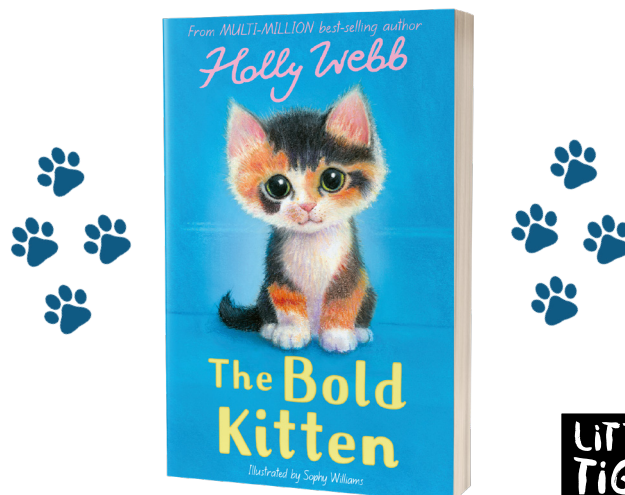

Now fold and tuck both points up under the triangle inside...

...So it now looks like this.

Colour in and cut out your kitten (kitten head template on the next page). And glue your kitten on to the base of your bookmark.
